Any word about the [REDACTED] case? I am hoping to take tomorrow off, but won't if you think that you'll need me. I'm not sure how many witnesses you have before me, but if it is called tomorrow, do you think that you would actually get to me the first day? Thanks.

Yes. But she is the one who sold these two items.

When I looked up the drug lab number ([REDACTED]), I noticed the defendant listed is [REDACTED]. Am I correct to assume that they are co-defendants and that the lab number is correct? Thanks.

Will you be available to testify on a short trial which is to be called on 9/21/12, but will not likely begin until another day (could be three to ten days later).
